4	Student's diary	1

Note for Early Years parents. Monarch follows a play-based approach in the Early Years, with learning centres and hands-on activities. There is no structured handwriting at this level: teachers focus on the two essential skills of listening and speaking. Thank you for supporting your child's teacher in this.

Please note. Label every book and notebook with your child's name and class, and send them at the start of the session. Everything stays safely at school, so children never carry heavy bags.
